With second place still up for grabs, incumbents, **Trouble and Strike** started the better against **Shambles** but only just took the points by 5 pins. The last game saw **Shambles** keep on top of **Trouble and Strike** and take the game and the match 6-2 to finish the league in seventh - their best ever position, leaving **Trouble and Strike** on 170 points. **What No Strike** could not do the same against **Phoenix** as **Phoenix** hit back after losing the second game to take the third and the over-all by 12 pins and winning 6-2, with **Claire Spivey** hitting a seasons best 163 and 33 over average.
